International Food Packaging

# LET US SIMPLIFY YOUR SUPPLY CHAIN

International Food Packaging (IFP) was founded in 2003 by a team dedicated to bringing simple supply chain solutions for custom foodservice packaging to multi-unit restaurant and grocery companies. IFP eliminates risk by designing and manufacturing the highest quality custom products and floor stocking with JIT service. Our customers enjoy competitive and stable pricing through customized supply chains.

We design, print, emboss, customize case packs...whatever is best for you!
